IMPORTANT COMMUNICATION TO MEMBERS – GREEN INITIATIVE IN CORPORATE GOVERNANCE

The Ministry of Corporate Affairs (MCA) has taken a Green Initiative in Corporate Governance by allowing paperless compliances by the Companies and has issued a Circular stating that service of all documents including Annual Reports can be sent by e-mail to its Members. Your Company believes that this is a remarkable and environment friendly initiative by MCA and requests all Members to support in this noble cause. The Company has already embarked on this initiative and proposes to send documents including Annual Reports in electronic form to the Members on the email addresses provided by them to the R&T Agent/the Depositories. The Members who hold shares in physical form are requested to intimate/update their email addresses with the Company/R&T Agent while Members holding shares in Demat form can intimate/update their email addresses with their respective Depository Participants. Members are requested to further note that they are entitled to receive, free of cost, a printed copy of the Annual Report of the Company and all other documents.

Notes:

- 1 The additional details of Director retiring by rotation, pursuant to Regulation 36(3) of the Securities and Exchange Board of India ("SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the SEBI Listing Regulations") and the Secretarial Standards issued by the Institute of Company Secretaries of India, is annexed as Annexure I and forms part of this Notice.
- 2 Pursuant to the amendments made to Section 139 of the Companies Act, 2013 by the Companies (Amendment) Act, 2017, which came into effect from 7th May 2018, the requirement of seeking ratification of the Members for the appointment of the Statutory Auditor has been withdrawn from the Statute. Accordingly, no resolution is proposed for ratification of appointment of M/s. Motilal & Associates., Chartered Accountants, (FRN 106584W), Statutory Auditors, who were appointed in the Annual General Meeting held on September 27, 2020.
- 3 Pursuant to General Circular Nos. 14/2020, 17/2020, 20/2020, 02/2021 and 02/2022 dated 8th April, 2020, 13th April, 2020, 5th May, 2020, 13th January, 2021 and 5th May, 2022 respectively issued by the Ministry of Corporate Affairs ("MCA") (collectively referred to as "MCA Circulars") read with Circular Nos. SEBI/HO/CFD/CMD1/CIR/P/2020/79, SEBI/HO/CFD/CMD2/CIR/P/2021/11 and SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated 12th May, 2020, 15th January, 2021 and 13th May, 2022 respectively issued by the Securities and Exchange Board of India (collectively referred to as "SEBI Circulars") companies are allowed to hold Annual General Meeting ("AGM") through VC / OAVM, without the physical presence of the Members at a common venue. In compliance with the MCA Circulars and SEBI Circulars, the AGM of the Company is being held through VC / OAVM.
- 4 Pursuant to the provisions of the Companies Act, 2013 ("the Act"), a Member, entitled to attend and vote at the Meeting is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this Meeting will be held through VC/OAVM, in accordance with the MCA Circulars, physical attendance of Members has

been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the Meeting and hence the Proxy Form, Attendance Slip and route map of the AGM are not annexed to this Notice.

- 5 Corporate Members intending to authorize their representatives to participate and vote at the meeting, pursuant to Section 113 of the Act, are requested to email a certified copy of the Board resolution/ authorization letter to the Company at sparcelectrex@gmail.com or shall upload the same on the VC portal/ e-voting portal.
- 6 The Register of Beneficial Owners, Register of Members and Share Transfer Books of the Company will remain closed from Friday, September 23, 2022 to Thursday, September 29, 2022 (both days inclusive).
- 7 Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020, May 05, 2020 and May 05, 2022, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the EGM/AGM will be provided by CDSL.
- 8 The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis. The detailed instructions for joining the Meeting through VC/OAVM forms part of this notes.
- 9 The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
- 10 In line with aforementioned MCA and SEBI Circulars, the Annual Report for the financial year 2021-22 along with the Notice of 33rd Annual General Meeting inter alia indicating the process and manner of e-voting is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Registrar & Share Transfer Agent (RTA) /Depositories/Depository Participants as at the end of the day on Thursday, 22nd September, 2022. Members, who have not registered their email address so far, are requested to register their email IDs for receiving all communications including Annual Report, Notices, etc., from the Company electronically. The Notice calling the AGM along with the Annual Report 2021-22 has been uploaded on the website of the Company at www.sparcelectrex.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM/EGM) i.e. www.evotingindia.com.
- 11 The SEBI has mandated submission of Permanent Account Number ("PAN") by every participant in securities market. Accordingly, Members holding shares in electronic form are requested to submit their PAN to their respective Depository Participants.
- 12 Members holding shares in electronic form are required to contact their Depository Participants to register/change their nomination.
- 13 The Members holding shares in physical form are informed that as per SEBI circular SEBI/HO/MIRSD/MIRSD RTAMB/P/ CIR/2021/655 and SEBI/HO/MIRSD/MIRSD RTAMB/P/ CIR/2021/687 dated 13th November, 2021 and 14th December, 2021 respectively, SEBI has notified simplified norms for processing investor's service request by RTA and mandatory furnishing of PAN, KYC details and Nomination by holders of physical securities. In this regard, it is mandatory for all the physical shareholders to furnish the following documents/ details with the Company/ RTA and the non updation of the same on or before 1st April, 2023 shall result into freezing of folios:

- 18 The facility for remote e-voting shall be provided at the Meeting. Members attending the Meeting who have not cast their vote earlier by remote e-voting shall be entitled to vote at the Meeting. A Member can participate in the Meeting even after exercising his right to vote through remote e-voting but shall not be allowed to vote again at the Meeting.
- 19 Mr. Pankaj Trivedi, Practicing Company Secretary (Certificate of Practice No. 15301), Proprietor of M/s. Pankaj Trivedi & Co., has been appointed as the Scrutinizer to scrutinize the voting process in a fair and transparent manner.
- 20 A person, whose name is recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the cut-off date i.e. Thursday, 22nd September, 2022 ("Cut-off date") only shall be entitled to avail the facility of remote e-voting or voting at the Meeting, as the case may be, in proportion to the shares held by them as on the Cut-off date.
- 21 Any person who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date, may obtain the login ID and password by sending a request at www.evotingindia.com. However, if he/she is already registered user for remote e-voting then he/she can use his/her existing User ID and password for casting the vote.
- 22 In case all the joint holders are attending the Meeting, the Member whose name appears as first holder in the order of names as per Register of Members of the Company will be entitled to vote at the Meeting.
- 23 The facility of voting will be provided at the Meeting for the Members attending the Meeting and who have not cast their vote earlier by remote e-voting.
- 24 Once the Member has casted his/her vote on the resolution(s), he/she will not be allowed to modify his/her vote or to cast the vote again.
- 25 During the AGM remote e-voting module will be enabled for e-voting and the same will be open for 15 minutes after conclusion of the meeting.
- 26 The Scrutinizer shall, after the conclusion of voting at the Meeting, first count the votes cast at the Meeting and thereafter unblock the votes cast through remote e-voting and shall submit, not later than forty-eight hours of the conclusion of the Annual General Meeting, a consolidated Scrutinizer's Report of the total votes cast in favour or against, if any, to the Chairman or any other person authorized by him in writing, who shall countersign the same and declare the result of the voting forthwith.
- 27 The Results shall be declared by the Chairman or any other person authorized by him in writing within forty-eight hours from the conclusion of the Meeting. The results declared shall along with the consolidated Report of the Scrutinizer be placed on the website of the Company i.e. www.sparcelectrex.com and on the website of CDSL at www.evotingindia.com immediately after the declaration of results. The results shall simultaneously be forwarded to the BSE Limited, Mumbai.
- 28 The resolutions proposed will be deemed to have been passed on the date of the AGM subject to receipt of the requisite number of votes in favour of the resolutions.
- 29 Instructions for e-voting and attending the Annual General Meeting is annexed and forms part of this Notice.
- 30 Considering the Meeting would be held through VC/ OAVM, the proxy form, attendance slip and route map for the venue is not annexed to the Notice. The deemed venue for the AGM shall be the Registered Office of the Company.
- 31 To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the Company of any change in address or demise of any Member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned DPs and holdings should be verified from time to time.

INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM/EGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on Monday, 26th September, 2022 (09.00 a.m. IST) and ends on Wednesday, 28th September, 2022 (05.00 p.m. IST). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of Thursday, 22nd September, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that participation by the public non-institutional shareholders/retail shareholders is at negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

- Review the performance of Non-Independent Directors and the Board as a whole.
- Assess the quality, quantity and timeliness of flow of information between the Company management and the Board that is necessary for the Board to effectively and reasonably perform its duties.

EVALUATION OF BOARD OF DIRECTORS:

The evaluation framework for assessing the performance of the Company's Directors comprises of various parameters like Board Composition & Quality, Board Meetings and Procedures, adherence to the Code of Conduct, contributions at meetings and strategic perspective or inputs regarding the growth and performance of the Company etc. The NRC Committee and the Board have laid down the manner in which formal annual evaluation of the performance of the Board, it's Committees and individual Directors are to be made. The process broadly comprises:

Board and Committee Evaluation:

Evaluation of the Board as a whole and the Committees is done by individual Directors. These are collated for submission to the NRC Committee and feedback to the Board.

Independent/Non-Executive Directors Evaluation

Evaluation done by Board members, excluding the Director who is being evaluated, is submitted to the Whole Time Director of the Company and individual feedback is provided to each Director. The evaluation of the Executive Director as done by the individual Directors is submitted to the Chairman of the NRC Committee and subsequently to the Board. The evaluation framework focuses on various aspects of the Board and Committees such as review, timely information from management and others. Performance of individual Directors are categorised into Executive, Non-Executive and Independent Directors and based on parameters such as contribution, attendance, decision-making, action-oriented, external knowledge etc.

MANNER IN WHICH FORMAL ANNUAL EVALUATION HAS BEEN MADE BY THE BOARD OF ITS OWN PERFORMANCE AND THAT OF ITS COMMITTEES AND INDIVIDUAL DIRECTORS:

The Board has carried out the annual evaluation of its own performance, of each of its Committee and of all individual Directors, as required under the provisions of Section 134(3)(p) of the Companies Act, 2013 and the applicable provisions of Listing Regulations. The manner in which such performance evaluation exercise was carried out is given below:

The Nomination and Remuneration Committee (NRC) carries out the evaluation process at initial stage, followed by evaluation by Board. The performance evaluation framework is in place to seek the response of each Director on the evaluation of the entire Board and Individual Directors, on defined parameters.

The criteria of evaluation of Board as well as that of its each Committee; and individual Directors, including the Chairman of the Board; as defined by NRC in this regard, includes attendance and contribution of each Director at the meetings or otherwise, independent judgment, adherence to code of conduct and business ethics, monitoring of regulatory compliance, risk management and review of internal control system, etc.

The performance of the Board and Individual Directors was also evaluated by the Board seeking inputs from all Directors on aforesaid parameters.

The performance of Committees was evaluated by the Board seeking inputs from concerned Committee Members. A separate meeting of the Independent Directors was also held to review the performance of Non-independent Directors; performance of the Board as a whole and performance of the Chairman of the Company, taking into account the views of Executive as well as Non-executive Directors. The Board of Directors expressed their satisfaction with the evaluation process.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Management Discussion and Analysis have been included in accordance with the Code of Corporate Governance as approved by The Securities and Exchange Board of India (SEBI). Investors are cautioned that these discussions contain certain forward-looking statements that involve risk and uncertainties including those risks which are inherent in the Company's growth and strategy. The company undertakes no obligation to publicly update or revise any of the opinions or forward-looking statements expressed in this report consequent to new information or developments, events or otherwise.

The management of the Company is presenting herein the overview, opportunities and threats, initiatives by the Company and overall strategy of the Company and its outlook for the future. This outlook is based on management's own assessment and it may vary due to future economic and other future developments in the country.

The operational performance and future outlook of the business has been presented by the management based on current resources and future development of the Company.

COMPANY OVERVIEW:

Sparc Systems Limited was engaged in the business of Software and Hardware Electronic Security Solutions. The Company was founded on September 14, 1989 and had its IPO in November, 1995.

During the year under review, the Company changed its line of business from dealing in Software and Hardware Electronic Security Solutions i.e. office automation tools to Manufacturing of electric motors, generators and transformers. The change in the nature of business has been approved by the shareholders through Postal ballot dated November 29, 2021.

Consequent to change in the business activities and accordingly, in order to keep the name of the Company in consonance with the new business activities, the Company changed its name from "Sparc Systems Limited" to "Sparc Electrex Limited". The said change of name has also been approved by shareholders through Postal ballot dated November 29, 2021. The change of name of the Company has been approved by the Registrar of Companies vide a fresh certificate of incorporation dated January 13, 2022. The Company is currently listed on Bombay Stock Exchange Ltd.

OUTLOOK ON OPPORTUNITIES:

The engineering sector is the largest of the industrial sectors in India. India's engineering sector has witnessed a remarkable growth over the last few years driven by increased investment in infrastructure and industrial production. The engineering sector, being closely associated with the manufacturing and infrastructure sectors, is of strategic importance to India's economy. India, on its quest to become a global superpower, has made significant stride towards developing its engineering sector. The Government has appointed Engineering Export Promotion Council (EEPC) as the apex body in charge of promotion of engineering goods, products, and services from India. India exports transport equipment, capital goods, other machinery/equipment, and light engineering products such as castings, forgings, and fasteners to various countries of the world.

The Company has very good opportunities because of the long-term business relationship with valued customers. The Company continues its drive for sustainable growth in this growing domestic and international engineering industry. Considering the good distribution network, Company has poised for good growth.

OUTLOOK ON THREATS, RISKS AND CONCERNS:

The opening of the Indian market and removal of trade barriers, manufacturing activities are under tremendous pressure from cheaper finished goods imported into the country. This is particularly so in the electronic industry. Due to constant downward pressure on prices and rapid change in technology the Company must keep its inventories at near zero levels. The Company will need to upgrade its technology continuously. Further technology and development-oriented skills are in acute short supply, with a concomitant rise in manpower costs. Many of the Company's competitors have significantly greater financial resources and low-cost Chinese manufacturing bases. The Company must ensure cost effective operations to compete successfully with them. The arrival of major international brands in India has made the market ever more competitive. Important segments of the Company's client base are facing pressure, resulting in several projects being postponed. This has adversely affected revenue of the Company and is a cause for concern if these segments do not revive.

INTERNAL CONTROL SYSTEMS AND ADEQUACY:

The Company has an Internal Control System commensurate with the size, scale and complexity of its operations. The scope of the Internal Audit is decided by the Audit Committee and the Board. To maintain its objectivity and independence, the Board has appointed an Internal Auditor, which reports to the Audit Committee of the Board on a periodic basis.

The Internal Auditor monitors and evaluates the efficacy and adequacy of Internal control Systems in the Company, its compliance with operating systems, accounting procedures and policies for various functions of the Company. Based on the report of Internal Auditor, management undertakes corrective action wherever required and thereby strengthens the control further.

The Company has policies and procedures in place for ensuring proper and efficient conduct of its business, safeguarding of assets, prevention and detection of frauds and errors, accuracy and completeness of accounting records and timely preparation of reliable financial information.

SEGMENT-WISE PERFORMANCE:

The Company operates in two segments which comprises of Manufacturing of Electrical Tools & Service and Trading. During the year, the revenue from operations amounted Rs. 508.66 Lakhs.

FINANCIAL PERFORMANCE:

The Company recorded a total income of Rs. 1507.32 lakhs as compared to Rs. 4.91 lakhs in the previous financial year, higher by Rs. 1502.41 Lakhs. The total income includes the revenue generated from business operations and revenue from other income. Last year the total income was solely generated from interest income from the loans and advances made by the Company. There was no income from main business activity of the Company. But during the year, the Company generated Rs. 1314.72 lakhs from its business operations and Rs. 192.60 lakhs amounted to income from other sources.

The Profit for the same period stands at Rs. 211.76 Lakhs as against loss of Rs. 200.26 lakhs in the previous financial year.

The management of the Company is very optimistic regarding performance of the Company in future and are taking every step and making every effort to turn the Company in to a more profitable organization.

PERFORMANCE OF THE BOARD AND COMMITTEES:

During the year under review, the performance of the Board & Committees and Individual Director(s) based on the below parameters was satisfactory:

- Most of the Directors attended the Board meeting;
- The remunerations if payable to executive Directors are strictly as per the company and industry policy.
- The Independent Directors are entitle to receive sitting fees. However no sitting fees were paid during the year.
- The Independent Directors contributed in the Board and committee deliberation and business and operation of the company.
- Risk Management Policy was implemented at all critical levels and monitored by the Internal Auditor, who reports to the Board and Audit committee.

HUMAN RESOURCES:

The Company regards its employees as a valuable asset and reviews and evolves policies and processes to provide a sustainable and stable working environment. Salaries and packages are commensurate with that of the industry for personnel of similar calibre and experience.

KEY FINANCIAL RATIOS:

In accordance with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, the Company is required to give details of significant changes (changes of 25% or more as compared to immediately previous financial year) in financial ratios are as follows:

Sr. No.	Ratios	F.Y. 2021-22	F.Y. 2020-21	% Change	Numerator	Denominator

INDEPENDENT AUDITOR'S REPORT

To the Members of
Sparc Electrex Limited
(Formerly Known as Sparc Systems Limited)
Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Sparc Electrex Limited (Formerly Known as Spare Systems Limited)** ("the Company"), which comprise the balance sheet as at 31 March 2022, the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Description of each key audit matter in accordance with SA 701:

The Key Audit Matter	How the matter was addressed in our Audit
The Company had advanced an amount of Rs.195.55 Lakhs to Manorama Textiles ("Seller") towards purchase of Industrial Land and Factory Premises, Which was considered bad by the Management in F.Y. 2020-21 as well as reported under Key Audit Matters by us in the Independent Auditors Report for FY 2020-21. However, during the financial year 2021-22, AI Power Tools Private Limited has shown its interest in acquiring the resultant debt from the Company for a consideration of Rs.190.00 lakhs. This matter is material to picture presented by the financial statement and having a material impact on revenue of the Company. Hence, The amount is significant, the same has been considered by us as a key audit matter. Whether the Seller agrees with the Company for the said reassignment to AI Power Tools Private Limited.	We have verified Memorandum of Understanding (MOU) between the Company, AI Power Tools Private Limited and Manorama Textiles i.e. all concerned parties related to Acquisition. According to such MOU, the Company has authorized AI Power Tools Private Limited to acquire debt from Manorama Textiles of Rs.195.55 lakhs at Rs.190.00 lakhs. In our view such matter has Significant impact on Financial Statement of the Company hence we consider same as Key Audit Matter. Our audit procedures included understanding and evaluating processes and controls designed and implemented by the management for assessment of said transaction and testing their operating effectiveness; obtaining the list of documents and communications, inspecting the supporting evidence, legal documents and confirmation reports submitted to us and assessing management's evaluation through discussions with management on the said transaction.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted

in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

ANNEXURE B TO THE AUDITORS' REPORT

(Referred to in paragraph 2(f) under Report on Other Legal and Regulatory Requirements section of our report to the members of SPARC ELECTREX LIMITED (Formerly Known as Sparc System Limited) of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of SPARC ELECTREX LIMITED (Formerly Known as Sparc System Limited) ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ACCOMPANYING NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022**Note 1****A. CORPORATE INFORMATION:**

SPARC ELECTREX LIMITED (Formally Known as SPARC SYSTEMS LIMITED) ('the Company') is in business of Security System. The Company is a public limited company incorporated in India and has its registered office at Mumbai, Maharashtra, India. The Company has its primary listing in BSE Ltd.

B. SIGNIFICANT ACCOUNTING POLICIES:**1 Basis of preparation and presentation**

These financial statements have been prepared in accordance with Indian Accounting standards (hereinafter referred to as the 'Ind AS') notified by the Ministry of Corporate Affairs under section 133 of the Companies Act, 2013 ('Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and the relevant provisions of the Act.

Accordingly, the Company has prepared these Financial Statements which comprise the Balance Sheet as at 31 March, 2022, the Statement of Profit and Loss for the year ended 31 March 2022, the Statement of Cash Flows for the year ended 31 March 2022 and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information (together hereinafter referred to as 'financial statements').

These Financial Statements were approved by the Board of Directors and authorised for issue on, May 2022.

The financial statements have been prepared on an accrual system, based on the principle of going concern and under the historical cost convention, unless otherwise stated.

The Financial Statements have been presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded off to the nearest rupee, unless otherwise stated.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

C. USE OF ESTIMATES:

The preparation of the financial statements, in conformity with the Ind AS, requires the management to make estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

(i) Estimates and assumptions:

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

(ii) Deferred tax assets:

In assessing the realisability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realized. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income, and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the Company will not recognize Deferred tax asset since it is not probable that taxable profit will be available in future against which the deductible temporary difference can be utilised.

(iii) Provisions

Provisions and liabilities are recognised in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash flow can be reliably estimated. The timing of recognition and quantification of the liability require application of judgement to the existing facts and circumstances which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing the facts and circumstances.

D. PROPERTY, PLANT AND EQUIPMENT:

(i) Tangible Assets

Property, Plant and Equipment are stated at cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/ installation of the assets less accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditure relating to Property, Plant and Equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the Statement of Profit and Loss.

Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.

(ii) Intangible Assets

Intangible assets include software which are not integral part of the hardware are stated at cost less accumulated amortisation. Intangible assets under development represents expenditure incurred in respect of software's under development and are carried at cost.

Assets acquired but not ready for use are classified under Capital work-in-progress or intangible assets under development, as the case may be.

E. DEPRECIATION AND AMORTISATION:

The depreciation on Fixed Assets is provided on straight line method, in accordance with the Schedule II to the companies Act, 2013. The depreciation on Assets added during the year has been provided on pro-rata basis with reference to the date on which the assets were put to use. No depreciation has been provided on the fixed assets, which have not been put to use during the year end.

F. FINANCIAL INSTRUMENTS:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial Assets

Initial Recognition

In the case of financial assets not recorded at fair value through profit or loss (FVPL), financial assets are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

Financial Assets at Amortised Cost (AC)

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the effective interest rate ("EIR") method. Impairment gains or losses arising on these assets are recognised in the Statement of Profit and Loss.

Financial Assets Measured at Fair Value

Financial assets are measured at fair value through OCI if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss.

Financial asset not measured at amortised cost or at fair value through OCI is carried at FVTPL.

G. IMPAIRMENT OF FINANCIAL ASSETS:

In accordance with Ind AS 109, the Company applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/ expense in the Statement of Profit and Loss.

H. DE-RECOGNITION OF FINANCIAL ASSETS:

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

b) Equity Instruments and Financial Liabilities

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs. Equity instruments which are issued for consideration other than cash are recorded at fair value of the equity instrument.

I. FINANCIAL LIABILITIES:

i) Initial Recognition

Financial liabilities are classified, at initial recognition, as financial liabilities at FVPL, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

ii) Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below

Financial liabilities at FVPL

Financial liabilities at FVPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation. Amortisation is recognised as finance income in the Statement of Profit and Loss.

Financial liabilities at amortised cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the Statement of Profit and Loss.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

iii) De-recognition of Financial Liabilities

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

iv) Offsetting Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis to realise the assets and settle the liabilities simultaneously.

J. IMPAIRMENT OF NON-FINANCIAL ASSETS:

As at each Balance Sheet date, the Company assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Company determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined:

- In case of an individual asset, at the higher of the assets' fair value less cost to sell and value in use; and
- In case of cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of cash generating unit's fair value less cost to sell and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specified to the asset. In determining fair value less cost to sell, recent market transaction is taken into account. If no such transaction can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the Statement of Profit and Loss, except for properties previously revalued with the revaluation taken to OCI. For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation.

When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the Statement of Profit and Loss.

K. TRADE RECEIVABLES:

A receivable is classified as a 'trade receivable' if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the EIR method, less provision for impairment.

L. TRADE PAYABLES:

A payable is classified as a 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms stated in the contract. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the EIR method.

M. EARNINGS PER SHARE:

Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than

the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company and weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares).

N. CASH AND CASH EQUIVALENTS:

Cash and cash equivalents in the Balance Sheet comprise of cash at banks and on hand and short-term deposits with an original maturity of three month or less, which are subject to an insignificant risk of changes in value.

O. BORROWING COSTS:

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Also, the EIR amortisation is included in finance costs.

Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the Statement of Profit and Loss in the period in which they occur.

P. REVENUE RECOGNITION:

- i) Revenue is recognized when all significant risks and rewards of ownership of the goods are passed on to the buyer and no significant uncertainty exists as to its realization or collection.
- ii) Revenue from sale of good is recognized on delivery of the products, when all significant contractual obligation have been satisfied, the property in the goods is transferred for a price, significant risks, reward and no effective control.
- iii) Interest Income is recognized on a time proportion basis by reference to the principal outstanding and at the interest rate applicable.

Q. FOREIGN CURRENCY TRANSACTIONS:

a. Initial Recognition

Foreign currency transactions are initially recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction. However, for practical reasons, the Company uses a monthly average rate if the average rate approximate the actual rate at the date of the transactions.

b. Conversion

Monetary assets and liabilities denominated in foreign currencies are reported using the closing rate at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

c. Treatment of Exchange Difference

Exchange differences arising on settlement/ restatement of short-term foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss except those arising from investment in non-Integral operations.

R. INVENTORIES:

Inventories are valued at cost or net realizable value whichever is lower. Cost of property under construction held as inventory includes cost of purchases, construction cost, and other cost incurred in bringing the properties to their present location and condition

S. PROVISIONS AND CONTINGENT LIABILITIES AND ASSETS:

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of obligation. Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the Balance Sheet date. In case the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A contingent liability also arises, in rare cases, where a liability cannot be recognised because it cannot be measured reliably.

Contingent asset is not recognised unless it becomes virtually certain that an flow of economic benefits will arise.

T. EMPLOYEE BENEFITS:

i) Defined Contribution Plan

Contributions to defined contribution schemes such as provident fund, employees' state insurance, labour welfare are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Company has no further obligations beyond the monthly contributions.

ii) Defined Benefit Plan

The Company also provides for gratuity which is a defined benefit plan, the liabilities of which are determined based on valuations, as at the balance sheet date, made by an independent actuary using the projected unit credit method. Re-measurement, comprising of actuarial gains and losses, in respect of gratuity are recognised in the OCI, in the period in which they occur. Re-measurement recognised in OCI are not reclassified to the Statement of Profit and Loss in subsequent periods. Past service cost is recognised in the Statement of Profit and Loss in the year of plan amendment or curtailment. The classification of the Company's obligation into current and non-current is as per the actuarial valuation report.

iii) Leave entitlement and compensated absences

Accumulated leave which is expected to be utilised within next twelve months, is treated as short-term employee benefit. Leave entitlement, other than short term compensated absences, are provided based on an actuarial valuation, similar to that of gratuity benefit. Re-measurement, comprising of actuarial gains and losses, in respect of leave entitlement are recognised in the Statement of Profit and Loss in the period in which they occur.

iv) Short-term Benefits

Short-term employee benefits such as salaries, wages, performance incentives etc. are recognised as expenses at the undiscounted amounts in the Statement of Profit and Loss of the period in which the related service is rendered. Expenses on non-accumulating compensated absences are recognised in the period in which the absences occur.

v) Termination benefits

Termination benefits are recognised as an expense as and when incurred.

U. ACCOUNTING FOR TAXES OF INCOME:

i) Current Taxes

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

ii) Deferred Taxes

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each Balance Sheet date to reassess realisation.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

iii) Minimum Alternative Tax

The Company has obtained the Section 115BAA as per Income Tax hence, MAT is not applicable. The company has also reversed all the MAT credit of Previous Years as Expenses / Income as obtained tax regime under Section 115BAA of Income Tax Act.

B. Measurement of fair values

Valuation techniques and significant unobservable inputs.

The Fair Value of the Financial Assets & Liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following tables show the valuation techniques used in measuring Level 2 and Level 3 fair values, for financial instruments measured at fair value in the statement of financial position, as well as the significant unobservable inputs used.

Financial instruments measured at fair value

Type	Valuation Technique	Significant unobservable inputs	Inter-relationship between significant unobservable inputs and fair value measurement
Mutual Funds	The fair values of investments in Mutual fund units is based on the net asset value ("NAV") as stated by the issuers of these mutual fund units in the published statements as at Balance Sheet date. NAV represents the price at which the issuer will issue further units of mutual fund and the price at which issuers will redeem such units from the investors	Not applicable	Not applicable
Non-current financial assets and liabilities measured at amortized cost	Discounted cash flows: The valuation model considers the present value of expected receipt/payment discounted using appropriate discounting rates.	Not applicable	Not applicable

I. Fair value hierarchy

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are

- (a) Recognised and measured at fair value and,
- (b) Measured at amortised cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed under the Indian accounting standard. An explanation of each level is as follows:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. For example, listed equity instruments that have quoted market price.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

II. Valuation techniques used to determine fair value

Significant valuation techniques used to value financial instruments include:

- The fair value of forward foreign exchange contracts is determined using forward exchange rates at the balance sheet date.
- Use of quoted market price or dealer quotes for similar instruments
- Using discounted cash flow analysis.

The fair values computed above for assets measured at amortised cost are based on discounted cash flows using a current borrowing rate. They are classified as level 2 fair values in the fair value hierarchy due to the use of unobservable inputs.

C. Financial Risk Management

C.i. Risk management framework

A wide range of risks may affect the Company's business and operational / financial performance. The risks that could have significant influence on the Company are market risk, credit risk and liquidity risk. The Company's Board of Directors reviews and sets out policies for managing these risks and monitors suitable actions taken by management to minimise potential adverse effects of such risks on the company's operational and financial performance.

C.ii. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's trade and other receivables, cash and cash equivalents and other bank balances. To manage this, the Company periodically assesses financial reliability of customers, taking into account the financial condition, current economic trends and analysis of historical bad debts and ageing of accounts receivable. The maximum exposure to credit risk in case of all the financial instruments covered below is restricted to their respective carrying amount.

(a) Trade and other receivables from customers

Credit risk in respect of trade and other receivables is managed through credit approvals, establishing credit limits and monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in the credit risk on an on-going basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on assets as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business,
- ii) Actual or expected significant changes in the operating results of the counterparty
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligation
- iv) Significant changes in the value of the collateral supporting the obligation or in the quality of third party guarantees or credit enhancements

Financial assets are written off when there are no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. When loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due, when recoverable are made, these are recognised as income in the statement of profit and loss.

The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivables is not material hence no additional provision considered.

Ageing of Accounts receivables:

Particulars	As at March 31, 2022	As at March 31, 2021
Neither Past due nor impaired	1,53,36,463	-
Past due but not impaired	-	-
Past due more than 180 days	16,20,000	-
Total	1,69,56,463	-

Financial Assets are considered to be of good quality and there is no significant increase in credit risk

(b) Cash and cash equivalents and Other Bank Balances

The Company held cash and cash equivalents and other bank balances of Rs. 78,18,129 at 31st March, 2022. (Rs. 73,424 at 31st March, 2021). The cash and cash equivalents are held with bank with good credit ratings and financial institution counterparties with good market standing. Also, Company invests its short term surplus funds in bank fixed deposit, which carry no / low mark to market risks for short duration therefore does not expose the Company to credit risk.

C.iii. Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. For the Company, liquidity risk arises from obligations on account of financial liabilities – trade payables and borrowings.

Liquidity risk management

The Company's approach to managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions. A material and sustained shortfall in our cash flow could undermine the Company's credit rating and impair investor confidence.

The Company maintained a cautious funding strategy, with a positive cash balance throughout the year ended 31st March, 2022 and 31st March, 2021. This was the result of cash delivery from the business. Cash flow from operating activities provides the funds to service the financing of financial liabilities on a day-to-day basis. The Company's treasury department regularly monitors the rolling forecasts to ensure it has sufficient cash on-going basis to meet operational needs. Any short term surplus cash generated by the operating entities, over and above the amount required for working capital management and other operational requirements, are retained as cash and cash equivalents (to the extent required).

ii. Trade payables	1,67,13,232	-	-	-
Total	3,83,18,732	1,33,925	5,29,175	1,69,000

C.iv. Market risk

Market Risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk.

C.iv.a Currency risk

The Company is exposed to currency risk on account of its operating and financing activities. The functional currency of the Company is Indian Rupee. Our exposure are mainly denominated in U.S. dollars. The USD exchange rate has changed substantially in recent periods and may continue to fluctuate substantially in the future. The Company's business model incorporates assumptions on currency risks and ensures any exposure is covered through the normal business operations. This intent has been achieved in all years presented. The Company has put in place a Financial Risk Management Policy to Identify the most effective and efficient ways of managing the currency risks.

C.iv.b Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk through the impact of rate changes on interest-bearing liabilities and assets. The Company manages its interest rate risk by monitoring the movements in the market interest rates closely.
